Keeps germs off the spoon & mess off the table

Perfect for baby's first feeding spoon, the NUK Rest Easy Spoon features a super soft tip which is gentle on teeth and gums plus a spatula bowl shape to easily scoop and wipe. The long ergonomic handle can reach to the bottom of tall jars while the Rest Easy Support helps keep mess off the spoon and germs off the table.

BPA Free | Dishwasher Safe (top rack)

For 6months +

Available in Baby City from October
